

THE SINGLE SKIN TANK RANGE

With the same **UNIQUE lockable lid** and **Inner Spill Tray** as the Bunded Range

Whilst Single Skin Tanks **may** be used for domestic oil storage we recommend that Single Skin Tanks are used for water storage only and that a **Envirostore integrally Bunded Tank** be used on all oil storage applications including domestic **or over a suitable catchpit (bund)** which has been tested and approved by a registered OFTEC installer.

All tanks must be fitted by an OFTEC registered or an equal and approved Engineer. The Envirostore Warranty may be affected if not installed correctly, or if any unauthorised work has been carried out on the tank, without the knowledge or permission of Envirostore UK Ltd. For details on the current regulations, consult an OFTEC registered or an equal and approved Engineer. The Inner Spill Tray must be kept clean and dry at all times. Locks need to be kept in good working order and can be maintained by using WD40 or 3in1 oil.

All Bunded Tanks, including Waste Oil and Fuel Dispensers, carry a 10 year warranty. Single Skin Tanks, including Water Tanks, carry a 2 year warranty. Pumps on Fuel Dispensers, Filstops and Fitting Packs carry a 1 year warranty. Hoses on Fuel Dispensers carry a 3 month warranty. For details of warranty on Gauges, please consult the appropriate gauge manufacturers details separately.

Dimensions shown are approximate. Capacity details shown as Brimful and Nominal. Patent pending on Inner Spill Tray.
